OFFICE OF THE PRESIDENT

Dear colleagues,

I am deeply honored and humbled to accept the position of President of our esteemed association. It is with great enthusiasm that I embrace this responsibility and the opportunity to serve alongside the dedicated law enforcement professionals who make up our organization.

I want to express my gratitude for your trust and confidence in me to lead this association. Together, we will continue to uphold the highest standards of law enforcement, promote collaboration among our member agencies, and work tirelessly to ensure the safety and security of our communities.

I am committed to fostering a spirit of unity, innovation, and inclusivity within our association. Together, we will address the challenges that our profession faces today and adapt to the evolving needs of the communities we serve.

I look forward to the journey ahead and the chance to work closely with each of you to further the mission of the New England Association of Chiefs of Police. Your support and dedication are what make this organization exceptional, and I am honored to be a part of it.

Thank you again for this incredible opportunity.

Sincerely,

Gary L. Thomann

President

New England Association of Chiefs of Police

OFFICE OF OUTGOING PRESIDENT TOM HANLEY

Colleagues,

I am once again honored to have the privilege to serve a second term as President of the New England Association of Chiefs of Police. In my 30 plus years as a member of the New England Chiefs, I have had the good fortune to serve with so many of fellow colleagues from about the region, all who share a dedication to the ideals of this profession. I also want to thank all of the board members for the time they offer from leading their own agencies to making this organization what it is today.

With that, I hold that it is time we look inward to the Association as to how we can move forward. We are faced with the issue of declining membership participation, an example of which has been the low attendance at our annual conference. In spite of an excellent venue and top shelf presenters, we could not entice our members or many of their command staff, to attend. . Many of our members are active in their own state associations and even the IACP. I recognize that it is difficult with so many other obligations and commitments, to participate in yet another organization.

My goal this year is to start the process of bringing the Association to relevance. Our fund is healthy and we need to put it to work to grow the Association. We should have a closer relationship with the New England Major Chiefs association and with each state association. We need to assess what is realistic, what may be beyond our reach, what of our activities should be retained and where we can achieve efficiencies.

I'm not promising an easy ride, just one that I hope will reinvigorate our Association.

All the best,

Tom Hanley

FROM THE DESK OF THE EXECUTIVE DIRECTOR DOUG JOHNSTON

Why join New England Association of Chiefs of Police?

When I first got involved with NEACOP I asked the same question. I soon learned that the cost of the membership did have its benefits. What are they? I have a list of those benefits after this article but let us take and highlight a few of them.

EDUCATION

Need to work on your college degree? Well Roger Williams is offering the following if you are a member of NEACOP:

- 1) Discounted rate of \$750.00 per course
- 2) Under take a credit review of all public safety training programs.
- 3) Make programs outside of RWU Criminal Justice programs available to criminal justice practitioners.

Already have your degree or you need to develop your department supervisors? We have that covered also, continue your education and training with Roger Williams Command Training Series. There is First Line supervisors, Mid-Management, and Executive Level as well as under graduate courses.

Need financial assistance in sending members of your department to training at Roger Williams? We have that covered also; the John D. Coyle scholarship funds the cost of registration for the training program. See Membership Benefits and Services for details.

LINE OF DUTY DEATH

This is a benefit that we hope as departments head, never have to use but let's face it. Being a police officer is a dangerous job. Officers get injured and make the ultimate sacrifice. We need to take care of their families when this happens. NEACOP provides to the families a \$5,000 dollar check to help cover cost. We all know it takes a while to deal with insurances and other programs that will provide funding to the family and our goal is to get the check to the families as quickly as possible to help cover those immediate cost. For the family to receive this, the department head must be a member of NEACOP. This is very inexpensive insurance to cover your entire department. It covers your department no matter what size it is. Are members of your department worth the cost of membership [\$100] so they are covered if this happens. You have not joined NEACOP yet? What is taking so long, join today!

These are just a few of the benefits which I highlighted.

Become a member and get involved today, there are other benefits which are listed in the next page. Hope to see you at the conference this November!

NEW ENGLAND ASSOCIATION OF CHIEFS OF POLICE ANNUAL CONFERENCE

CODE OF ETHICS

For Police Executives

NEW ENGLAND ASSOCIATION OF CHIEFS OF POLICE, INC.

We, members of the New England Association of Chiefs of Police, Inc., recognizing our responsibilities to the communities we serve and our obligations to society in general and with the knowledge that our profession requires the highest ideals and rules of conduct, hereby adopt the following code of ethics for police executives, and commend them to all persons in the police profession for their guidance.

We will put honesty, truth and justice above all other considerations, and we will not allow friendship, enmity, social position, political influence, nor personal motives to swerve us from the impartial performance of duty.

We will neither solicit nor accept, any gift, privilege, favor or advantage from any person which will place us under any obligation to overlook any violation of a law, or violate the ethics of our profession.

We will observe all the provisions of the Constitution of the United States, and will never illegally deprive any person of any right guaranteed by the great document. We will not become involved in any social, political, or religious controversy except as neutral agents of the public, and we will at all times endeavor to carry out the desires of the majority of citizens as legally expressed through proper legislative, judicial or executive channels of government.

Having efficient police administration as our objective, we recognize the need for professional fitness on the part of police executives and subordinates. We pledge ourselves to advance the science of police service through training courses and other methods adequate to meet the proper requirements of our profession.

Recognizing the mutual dependence of all law enforcement and social agencies, we pledge our cooperation to all officials and agencies interested in the promotion of justice and the improvement of social conditions. We will not allow envy, jealousy, or any other motive to interfere with such cooperation.

We will be fair with subordinates showing only that favor which has been honestly earned by meritorious service to the public: demanding that all police officers perform their duties and enforce the laws with impartiality, judgment and courtesy.

We recognize our responsibility to the press as a medium through which the public we serve can be kept informed of our activities. We solicit its support in all honest police endeavor, and its condemnation of any act or policy detrimental to the best interests of society. We deplore violations of the code of ethics for journalism in connection with publication of police news and respectfully recommend observance of that code.
